*Symposium Introduction*

5     **The Third War Over Ukraine**    *by Jacob Heilbrunn*

Central Europe, long seen as a geopolitical backwater, is at the center of world events for the third time in the modern era. With his invasion of Ukraine, Russian president Vladimir Putin is ushering in nothing less than a new age of upheaval.

*A Symposium*

8     **Year of Upheaval**

How should America conduct its foreign policy in the aftermath of the war in Ukraine?
